

Hello EHAS Community,

This message contains information about the upcoming school council elections, and general information about EHAS school council.

Attached are nomination and self-nomination forms for the upcoming school council elections. The elections will establish members of our school council for this school year (elected members remain active until a new school council is formed in September/October of the next school year).

Any parent/guardian can self-nominate, or nominate any other parent/guardian for one of 12 elected positions on council. The 12 who are elected will decide on the specific positions. Nomination forms can be submitted to the office and must be received by Monday September 26.

On Tuesday September 27, at Curriculum Night, there will be an opportunity to meet prospective members of school council.

School council elections will take place on Monday October 3rd, if there are more than 12 nominations (if there are 12 or fewer nominations, then the nominees will be acclaimed). Every parent/guardian of a student registered this year is entitled to one vote.

Please consider running for a position on our school council! Details on council positions and responsibilities are attached. If you have any questions, please contact the following:
